

Depending on the nature and complexity of the legal matter, below we have set out the average or typical hourly charging rates for Kathleen Stewart W.S fee earners.

The hourly charge stated excludes VAT which is charged at 20%

Fee earner	Average or typical hourly charging rate (excluding VAT)
Solicitor Principal	£245
Travelling rate	£175

The number of hours spent on a client case will be determined by the complexity and the unique circumstances of the case. Kathleen Stewart W.S. will discuss the likely cost of the case with the client at the initial meeting or before issue of a Letter of Engagement. If additional costs arise due to unforeseen circumstances, we will discuss this with you at the earliest opportunity and the firm will advise you of any increase in cost that may arise.

The hourly rate does not include any outlays/disbursements that may be required. These are variable depending on the nature of the case. Firm staff will discuss what these may be at the initial meeting or before issue of a Letter of Engagement.
